### Image and Audio Recording Model Release

**I hereby grant** in perpetuity to Crisler Lovendahl (“the **recording artist**”) the right to take, use, exhibit and reproduce videotape and audiotape footage, moving or still photographic pictures and/or portraits, or other recorded sounds or images, including derivative works resulting from editing and/or digitized transformations and also including text transcripts of audio (“**recordings**”) of me and my children named below in return for valuable compensation received, whether services, prints, videotapes or audiotape or other copies of the recordings, monetary payment, or other benefit, tangible, or intangible.

This release will apply to all images and sounds recorded by the **recording artist** personally, or made at their direction by their agents or employees, [a] in connection with any activity related to the use of services provided by Speech Kids / OT Kids, Play Partners, Classroom Connection, or The North Shore Teen Center, [b] or made on the premises thereof, today and in the future, and **will remain in effect until such time as I revoke this authority in writing** and deliver this revocation to the **recording artist**. *I understand that any future revocation will not affect the grant and release relating to **recordings** already made under the terms of this release.*

The **recording artist**, without further consultation or payment to me, may [1] use these images and for study in connection with designing or delivering therapy, educational programs, or other diagnostic or development for my child or children; [2] use the **recordings** for any commercial purpose, including business promotion and advertising; [3] include or display **recordings** in research papers, articles, and other publications; and [4] sell or transfer the publication rights to any and all parties as may be required to publish any work authored or edited, in whole or in part, by the **recording artist**. Rights to use, exhibit, publish, reproduce, sell or transfer the recordings extend to the **recording artist** individually and to their heirs and assigns.

**Additionally, I hereby waive** any right to inspect or approve the finished **recordings**, the media in which they are rendered or reproduced, or any textual commentary or caption or promotional copy associated with the use or publication of the **recordings**. I do grant this privilege to the **recording artist** and to their heirs and assigns without requiring any further compensation now or in the future.

**I understand and grant** that all **recordings**, images and sounds and combinations or derivations thereof, made by the **recording artist** remain the sole property of the **recording artist** for the purpose of commercial use; but any prints, slides, or copies of **recordings** or other media containing the images or sounds which I receive from the **recording artist** may be used *without editing or alteration* at my discretion for any purpose, except for commercial sale or license, without further compensation to the **recording artist** or designers of the recorded images and/or sounds on any reproductions or publication made from their work.

**I have read** the foregoing release, authorization, and agreement, and warrant that I fully understand the contents thereof before affixing my signature below, and that I have the legal authority and/or permission to represent my children named below in this matter.
